

# Transportation Analysis

PREPARED BY  
THE MINNESOTA DEPARTMENT OF TRANSPORTATION  
PLANNING DIVISION  
PEOPLE AND GOODS MOVEMENT SECTION

## Office Memorandum

DEPARTMENT OF TRANSPORTATION  
Room 820TO : Jerry Skelton  
Transportation Planner  
District 9

DATE: July 23, 1982

FROM : John Sem  
Director  
Traffic & Commodity Studies Section

PHONE: 296-1602

SUBJECT: T.H. 51 - Como to T.H. 36  
TAR-M255ASP 6215  
6216

Estimated year 2004 ADT and PM peak hour volumes for T.H. 51 from Como Avenue to T.H. 36 are shown on the enclosed project schematic. Volumes on T.H. 51 are essentially the same as those shown in TAR M-255. Some of the turning movements have been modified to reflect changes in the original design and some additional detail has been provided where minor streets and frontage roads intersect T.H. 51.

Enclosure

T.H. 5  
(SWELL)

21500 = 2004 ADT  
2430P = 2004 PM PK

CURRENT EXPENDITURE  
To Des. V.
